Upcycled yarn; a new dawn for luxury flooring

Join Matthew Wailes on our ethical journey as we transform ocean waste plastic bottles into upcycled yarn. We're leading a luxury flooring textile revolution as we use upcycled yarn to produce exquisite, handmade carpets and rugs.

Help us to improve the environmental impact on our world and buy luxury flooring responsibly.

THE BENEFITS:

- Soft Silky Texture
- Ultra Durable
- Stain and Mildew Resistant
- Water Repellent
- Flame Retardant
